Pastoral Visit of the Bishop—1st March
What happens during the pastoral visit of the Bishop?

"The pastoral visit is an apostolic endeavour, an event of grace."

(Directory of Bishops)

Canon Law 396.1: "A Bishop is obliged to visit the diocese annually either in whole or in part, so that he visits the entire diocese at least every five years either personally or, if he has been legitimately impeded, through the coadjutor Bishop, an auxiliary, vicar general, episcopal vicar, or another presbyter."

Goals of the Pastoral Visit

- To come into personal contact with the priests, deacons, secretaries, lay pastoral assistants, youth ministers, and lay people responsible for various areas of the pastoral life of the parish.
- To become acquainted with the reality of the environment, the socio-economic condition of the people, the current pastoral programs, and the overall functioning of the parish.
- From a faith perspective, to look at the parish community in its main components : faith education at all ages, sacramental and liturgical life, the sense of community, co-responsibility and leadership, service to society, the relationship of the parish with the diocesan and universal Church; financial organization and the state of recordkeeping of sacramental registers and other archival material.
- To bring encouragement and hope to those involved in pastoral work and to all the people of the parish.
- To celebrate the Eucharist, to proclaim the Word of God and to preach with the parish community.
- To make known the pastoral priorities of the diocese and to foster a sense of belonging to the diocesan Church.

There will be an opportunity to see the Bishop at our celebration of Masses during this weekend. If you would like to see him privately then please contact the office for a time to be arranged.
